Dear Sir:

Please amend the above-identified patent application as follows.

In the Claims

Please add claims 16-39 as follows:

SubD 16. (New) A method according to claim 14, wherein the particulate stream includes silicon carbide.

C1 17. (New) A method according to claim 16, wherein the silicon carbide includes a powder having a particle size of about 50 microns.

18. (New) A method according to claim 13, wherein the interior surface of the stent body is roughened by removing portions of the stent body.
